Quality craftsmanship. Custom designs.

JSI proudly offers rich details, attractive finishes, quality all-wood construction cabinets to fit any home or lifestyle.

Our products are functional, efficient, and stand the test of time, both in workmanship and design.

JSI cabinets are the perfect choice for homeowners who want the satisfaction of knowing they're getting durable, dependable, quality products that will add value to their home for years to come.

Want the very best in hinges and glides?
Ask your designer to specify Blum premium hardware! 

Get **organized** from the start.

REV-A-SHELF CHARGING DRAWER SYSTEM

Charging stations are a necessity, but having plugs scattered throughout your home with power adapters and wires dangling from your walls can be unsightly. Now you can charge all your electronics together in one hidden, organized location.

REV-A-SHELF APPLIANCE PULLOUT

The back of the cabinet above your oven or refrigerator can be one of the hardest places to reach. Rev-A-Shelf has designed an above the appliance pullout organizer that brings hard-to-reach items to your fingertips.

DOUBLE EASY ACCESS CORNER PANTRY

This double shelf unit has 2 full-extension drawers that provide easy access to contents and provides efficient space utilization of the corner cabinet. Comes fully assembled for simple installation.

For more inspiration, check out our **storage solutions** brochure.

Factory-Installed Under-Cabinet Lighting.

Enhance the appearance and functionality of your kitchen with factory-installed energy efficient, long-lasting LED fixtures. We understand lighting can be overwhelming, but now it doesn't have to be.

Factory-installed under cabinet lighting is the simplest and most affordable way to give your kitchen an elegant and luxurious appearance.

- **Everything is included**
- **No electrician required**
- **Neutral light color elevates every kitchen**
- **Wireless control**

It's really that simple. Give your kitchen instant appeal with our affordable, factory-installed lighting system.

For more inspiration, check out our **lighting solutions** brochure.
