

Hybond®

PRODUCT DATA SHEET

CHOICE BRANDS ADHESIVES, 666 REDNA TERRACE #500, CINCINNATI, OH 45215 513-772-1234

Product Number: 689

Description: FLAMMABLE SOLVENT /CLEANER / REDUCER

Benefits:

Fast Drying
Non-Ozone Depleting
Can be used to clean residue and thin adhesive

Typical Physical Properties:

Color: Clear
Flammability: Flammable Liquid/Vapor
Viscosity: Water Like
Flash Point - 20 °F

Application:

A clear solvent recommended for thinning and cleaning most extremely flammable contact adhesives. Can also be used for cleaning brushes, rollers, equipment parts and for flushing through spray lines and spray guns.

In thinning adhesive, add a small quantity of solvent while thoroughly mixing until the desired consistency is reached. Be careful not to add too much solvent and/or add solvent too fast.

In cleaning adhesive off substrates, DO NOT flood the area with solvent as it can work into seams and soften the adhesive and cause delaminating. Use a cloth that is saturated with solvent, but not dripping. Keep the solvent exposure to edges and seams of the lamination at a minimum to avoid softening the bond line.

Precautions:

Liquid and vapor are extremely flammable.

Storage Conditions:

Keep container closed tightly when not in use.
Do not store in direct sunlight.

Please refer to the Material Safety Data Sheet for further safety information.

NOTICE TO PURCHASER: The information, data and suggestions for use of the materials given here are based on our best experience and knowledge, but we do not guarantee the results to be obtained in customer's processes. The products discussed are sold without any warranty regarding merchantability or fitness for a particular purpose or any other warranty express or implied. Before using, user shall determine the suitability of the product for his intended use, and user assumes all risk and liability whatsoever in connection therewith. Neither seller nor manufacturer shall be liable for any injury, loss or damage, direct or consequential, arising out of the use of or the inability to use the product. Sellers and manufacturers only obligation shall be to replace such quantity of the product proved to be defective. Since the manufacturer of the described in this data sheet has no means of controlling the final use of the product by the consumer or user, it is the responsibility of the immediate purchaser and any intermediate sellers to inform the user of the purposes for which the product may be fit and suitable, and of the properties of the product, including the precautionary measures which much be taken in order to insure the safety of the user and of other third persons and property.
