PRODUCT DATA SHEET

CHOICE BRANDS ADHESIVES, 666 REDNA TERRACE #500, CINCINNATI, OH 45215 513-772-1234

Product Number: E9110 PROXPEEL

Description: Spray Booth Coating

Benefits:

Dries in 10-15 minutes under normal room temperature conditions and is removable in large sheets.

May be applied by spraying and offers coverage up to 300-350 square feet per gallon.

Typical Physical Properties:

| | |
|------------|-----------------------|
| Viscosity: | 120 cps @ 77°F (25°C) |
| Solids: | 30% |
| Color: | White |

Application:

PROXPEEL E9110 is a peelable, liquid white plastic coating, supplied at spraying consistency.

It eliminates the tedious scraping and taping procedures accompanying various types of finishing operations.

Note: Stir material well before use. Do not store in direct sunlight.

Consult Material Safety Data Sheet prior to use.

NOTICE TO PURCHASER: The information, data and suggestions for use of the materials given here are based on our best experience and knowledge, but we do not guarantee the results to be obtained in customer's processes. The products discussed are sold without any warranty regarding merchantability or fitness for a particular purpose or any other warranty express or implied. Before using, user shall determine the suitability of the product for his intended use, and user assumes all risk and liability whatsoever in connection therewith. Neither seller nor manufacturer shall be liable for any injury, loss or damage, direct or consequential, arising out of the use of or the inability to use the product. Sellers and manufacturers only obligation shall be to replace such quantity of the product proved to be defective. Since the manufacturer of the described in this data sheet has no means of controlling the final use of the product by the consumer or user, it is the responsibility of the immediate purchaser and any intermediate sellers to inform the user of the purposes for which the product may be fit and suitable, and of the properties of the product, including the precautionary measures which much be taken in order to insure the safety of the user and of other third persons and property.
