

TRUCKLOAD PROGRAM

For large projects, Wolf Classic offers a robust special order truckload program.

Upgrades and replacements are a big part of the housing rental business, where controlling costs and maximizing profit are always paramount. Equally important is the speed with which you complete your rehab project. We understand that empty units don't generate income.

Wolf's expanded truckload program offers a wide selection of construction and color options, giving you the flexibility to adjust features based on your project requirements. Whether you need to keep costs lower with particleboard or upgrade to our Heavy Duty specification, Wolf Classic can deliver exactly what you need with the trusted reliability you've come to expect from Wolf.

Truckload orders can be made for any of the Wolf Classic door styles.

CHOOSE SPECIFICATIONS

STANDARD SPECIFICATIONS

With all plywood construction, solid wood dove-tailed drawers and Maple doors and face frames, Wolf's standard specifications meet or exceed any competitor. Most styles also include Soft Close on both door and drawers.

HD HEAVY-DUTY SPECS

For extreme use applications, choose our HD specification with all the features of our standard product plus a 3/4" solid pressure-treated toekick in 4 1/4" standard and 5 1/2" or 9" ADA.

Note: 9" ADA toekick in HD is comprised of 5 1/2" pressure-treated material and 3 1/2" standard plywood.

ADA COMPLIANT UNIVERSAL DESIGN SPECS

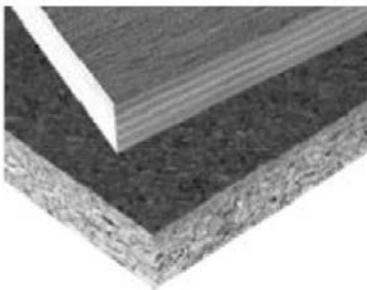

In addition to our standard offering, Wolf Classic also offers items designed to meet the Americans with Disabilities Act guidelines. ADA cabinets are 32 1/2" in height and available in all colors with a 5 1/2" or 9" tall toekick.

Note: Somerset is not available for HD or ADA specifications.

ORDERING GUIDELINES

The products shown in this section are available as special order in full-truck quantities only. Truckload orders will deliver direct from Wolf's manufacturing facility. Please review the requirements below in order to participate in our Truckload program.

PRODUCT MIX

Truckload orders must consist of a single door style in a single color. Mixing of styles and/or colors is not permitted. You can, however, mix construction styles (Heavy-Duty, ADA, UD, Standard) on the same truck as long as the door style/color is exactly the same. Special order material must be purchased in truckload quantities (except ADA in some cases). Single cabinets or quantities falling below the truckload requirement are not available for special order styles/colors. Please be sure to double-check your orders to ensure you have not missed any items.

QUANTITY

Truckload orders must fall between a minimum of 2200 cubes (including panels, mouldings and accessories) or 220 cabinets (not including panels, mouldings & accessories) and a maximum of 3150 cubes. Any order over the minimum – whether special order or in-stock material – will be delivered factory direct. (Ex: if you order 2200+ cubes of Saginaw Honey, an in-stock style/color combination, it will be delivered factory direct despite being an inventoried item.)

TIMEFRAME

Please confirm current lead times with your Wolf Sales Consultant. Lead times may vary due to current production capabilities and product demand. **Turnaround time begins once the order confirmation is approved.** The delivery date provided on the confirmation is the earliest date available. If you would like a later date, please communicate with Wolf Customer Care to update your order. Once the order confirmation is approved, the delivery date cannot be changed without penalty. Delivery date changes can only be made in the event of inclement weather. Any non-weather-related delivery change will result in additional freight charges where applicable. Customer Care will contact you within 48 hours with your delivery date.

FREIGHT

Truckload orders are FOB from our manufacturing facility. Please request a shipping estimate early in the process to ensure you understand all costs associated with your order. If there is a delay between your estimate and order placement, please ask for an updated shipping estimate.

CHANGES

Once your acknowledgement has been approved, the order has been placed into production. No changes can be made after you have approved your order.

TOUCH UP KITS AND STORAGE SOLUTION ITEMS

Touch-up kits and storage solution accessories are available for purchase. They cannot ship on the truck with your truckload order. We will coordinate the timing to arrive near the delivery of your truckload.

UNLOAD TIME

You will be contacted with a delivery time. Please be prepared to unload the truck immediately upon arrival. There is a 2-hour window allowed for unloading. Detention fees will be charged when that 2-hour window is exceeded.

MOULDING QUANTITIES

All fillers, toekicks and mouldings are sold in full carton quantities as specified to the right. We are unable to break cartons.
