CABINETS

**BUILDERS MARK™**  
FROM WOLF HOME PRODUCTS®

**VERO**

## BUILDERS MARK VERO FROM WOLF HOME PRODUCTS

### The Budget-Friendly Choice

Whether you're creating a large decorative space or building a small galley kitchen, when you choose Builders Mark Vero cabinets your imagination won't be limited — even if your budget is.

### Exceptional Value

Builders Mark Vero cabinets feature quality wood doors and face frames and come with 6-way adjustable, fully concealed, self-closing hinges and an easy-clean interior. Plus, you can choose from a variety of smart storage solutions as well as functional and decorative accessories to make any size project your own.

### Buy with Confidence

You can be confident when buying Builders Mark Vero cabinets. In addition to certifications from the Kitchen Cabinet Manufacturers Association (KCMA), Builders Mark Vero comes with a 2-year limited warranty.

## SMARTSHIELD TECHNOLOGY

When life gets messy, SmartShield Technology has you covered. SmartShield resists typical kitchen stains, endures household wear and tear and stands up to both heat and moisture. Plus, the continuous wrap around every door delivers 360 degrees of crisp, clean, consistent beauty.

### STYLE

High fashion look with smooth, even color consistency and a quality finish that has a warm, sleek feel when compared to other similar products.

### CONSISTENCY

No wood grain issues or finish variations, you get a smooth, consistent finish every time.

### DURABILITY

Traditional finish quality concerns such as roughness, peeling, cracking and open joints become nonexistent. Plus, effects of light exposure and aging are minimal in comparison to wood finished products.

### EASY TO CARE FOR

Resists moisture as well as stains from common household foods and detergents. With its smooth surface and durability, SmartShield is a breeze to clean and makes an excellent choice for homeowners with pets or young children.

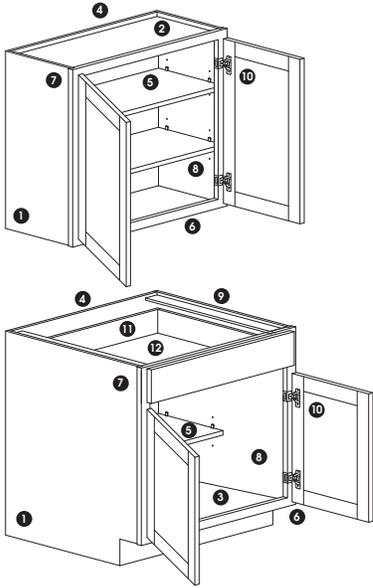

## STAINED FINISHES

Stain is applied to desired color. Next, sealer is applied to protect the finish and minimize warping and cracking of the hardwood. Sealer is then sanded to develop a bonding surface for the topcoating process. As a final step, a heat activated topcoat is applied to provide a beautiful and durable furniture finish. Finish availability varies by door style.

### Natural Beauty of Wood

Wood is a natural product with variations in grain, texture and color. As a result of natural conditions, some species will develop characteristics such as burls, pecks, pin burls, shakes, split knots and mineral streaks to name a few. In some instances, even the color will vary greatly within a single piece of wood or cabinet component. A certain amount of variations is allowed and, in fact, is desirable. Doors with these types of characteristics are not to be considered defective. In addition, all wood will age overtime deepening or mellowing its tone. These characteristics are not to be misinterpreted as defects. Wood is a product of nature- and as such will display natural characteristics and variances that are unique to each and every cut. These characteristics are an integral part of the charm and beauty of real wood.

## CONSTRUCTION SPECIFICATIONS

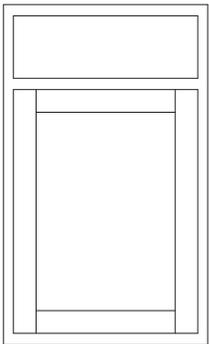

### CONSTRUCTION - BUILDERS MARK VERO

1	<b>End Panels</b>	Wall, Base and Vanity	3/8" Furniture Board
		Tall	1/2" Furniture Board
2	<b>Top and Bottom</b>	Wall	3/8" Furniture Board
		Tall	1/2" Furniture Board
3	<b>Bottom</b>	Base and Vanity	3/8" Furniture Board
4	<b>Backs</b>	Wall	3/8" Furniture Board
		Base and Vanity	1/4" Furniture Board
		Tall	1/4" Furniture Board
5	<b>Shelves</b>	3/4" Furniture Board, adjustable; 33" wide and greater receive stiffening cleat

Builders Mark Vero Cabinets are also available in Universal Design Specifications.

**These Universal Design cabinets are available only on Truckload Orders.**

Please work with your Wolf Sales Consultant or Wolf Customer Care to determine your delivery date.

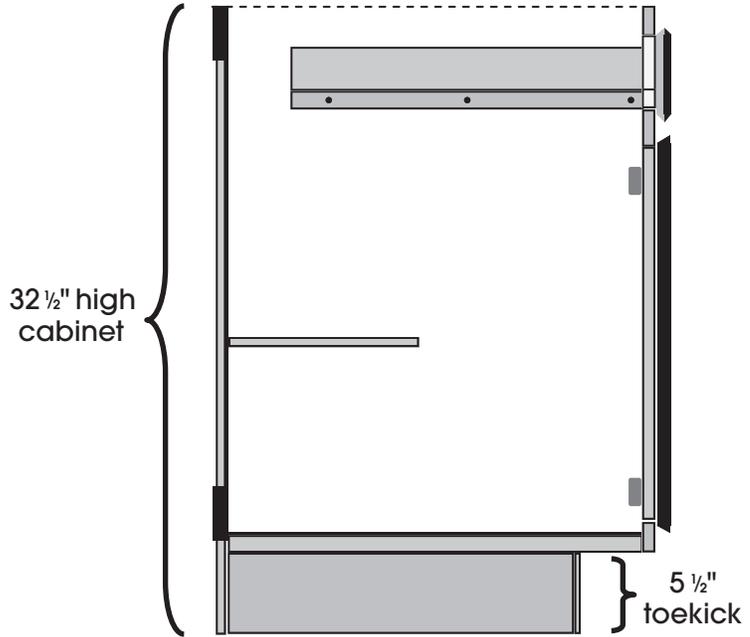

## What is ADA Compliance vs. Universal Design?

ADA compliant cabinets are designed to meet the needs of people with disabilities per the Americans with Disabilities Act. Builders Mark Vero Cabinets offers a reduced height product that may be used in your ADA or UD design. Although product choice does need to be considered, designing for ADA and UD is not just about product, it's mainly about design principles and building codes. For more information about ADA regulations, please visit [www.ADA.gov](http://www.ADA.gov).

ADA compliance is based on the overall height of the workspace, clear floor space, knee clearance and toe clearance combined. All of these elements must be applied together and accurately for your design to be considered ADA compliant. Codes will vary and it is important for you to understand your local codes before starting your design.

Universal Design, also known as Aging in Place Design, is a much broader concept. The goal is to create an environment that is usable, to the greatest extent possible, by people of any age or ability without the need for a special design or adaptation. In order to be considered UD, your design must consider the space needed for approach, reach, manipulation and overall use regardless of the user's body size, posture or mobility.

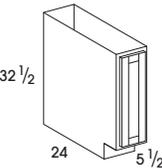

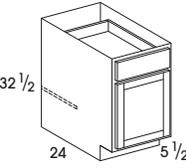

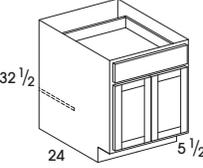

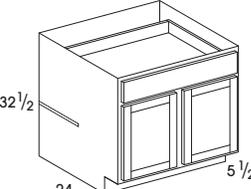

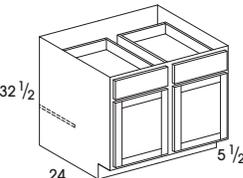

Universal Design Cabinets available on Truckload order only

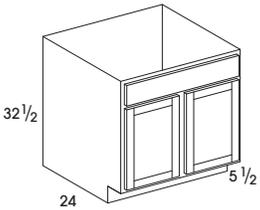

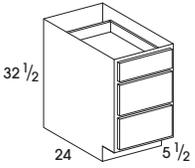

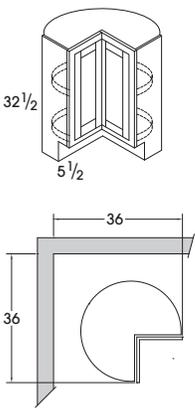

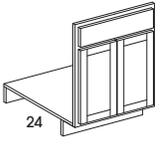

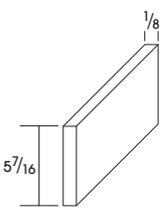

Universal Design Builders Mark Vero cabinets are 32 1/2" in height and have a 5 1/2" toekick.

All other product specifications are the same as our standard cabinet.

**ORDERING GUIDELINES**

The products shown in this brochure are available for special order only in full-truck quantities. Truckload orders ship directly from Wolf's manufacturing facility. Please review the requirements below in order to participate in our truckload program.

**Quantity**

Truckload orders must fall between a minimum of 2,200 cubes (including panels, mouldings and accessories) and a maximum of 3,100 cubes. Any ordered material exceeding the maximum will not be included in the final order. In-stock material exceeding the maximum can be ordered out of warehouse using your warehouse multiplier. Any truckload only style and finish combinations cannot be ordered out of warehouse.

**Timeframe**

Please confirm current lead times with your Wolf Sales Consultant. Lead times may vary due to current production capabilities and product demand. Turnaround time begins once the order confirmation is approved. The delivery date provided on the confirmation is an estimated date available. If you would like a later date, please communicate with Wolf Customer Care to update your order. Once the order confirmation is approved, the delivery date cannot be changed without penalty. Delivery date changes can only be made in the event of inclement weather. Any non-weather related delivery change will result in additional freight charges where applicable. Customer Care will contact you within 48 hours with your delivery date.

**Freight**

Truckload orders are FOB from our manufacturing facility. Please request a shipping estimate early in the process to ensure you understand all costs associated with your order. If there is a delay between your estimate and order placement, please ask for an updated shipping estimate.

**Changes**

Once your order confirmation has been approved, the order has been placed into production. No changes can be made after you have approved your order.

**Touch Up Kits**

Touch up kits are available for purchase and will ship via FedEx. (They cannot ship on the truck with your truckload order.) We will coordinate the timing of your touch up kits to arrive near the delivery time of your truckload.

**Unload Time**

You will be contacted with a delivery time. Please be prepared to unload the truck immediately upon arrival. There is a two-hour window allowed for unloading. Detention fees will be charged when exceeding the two-hour window. NOTE: When accepting a truck, please have adequate manpower on site to unload in the two (2) hour delivery window. Independent drivers do not assist in unloading. Any time incurred beyond the initial two hours will be charged at \$75.00 per hour.

**Builders Mark Vero 2-Year Limited Warranty**

Builders Mark Vero Cabinets from Wolf Home Products have been manufactured under the highest standards of quality and workmanship.

**2-Year Limited Warranty**

Wolf Home Products warrants that its cabinets and related components ("Products") will be free of all defects in materials and workmanship for two (2) years from date of purchase under normal use subject to the exclusions contained herein.

Warrantor's obligation here under is valid only for the standard application in which the Products are used when properly installed in accordance with applicable building codes, conditions, industry acceptable standards and Warrantor's installation instructions. This warranty is not valid for Products used for any purpose other than the purpose for which it was originally intended. Warrantor shall not be responsible for any losses sustained or costs incurred that are reported after the expiration of the two (2) year warranty period.

Warrantor's sole responsibility, and the buyer's sole and exclusive remedy, shall be the refund or replacement, at no additional charge to buyer, or the defective Product. Warrantor shall not be responsible for any consequential damages, lost profits, or any other costs or damages all of which are specifically excluded, including without limitation labor, installation, shipping, transport, disposal, or any costs associated with the Product including without limitation plumbing, walls, flooring, fixtures, gas or electric appliances, or countertops, all of which are specifically excluded.

This warranty does not cover claims arising out of natural characteristics of some wood to split, warp or twist, or natural variations in grain, mineral streaks, knots and color.

This warranty does not cover claims arising out of misuse, physical abuse, alteration, accident, improper care in performing necessary upkeep after installation, acts of God, acts of war, vermin or insect infestation, or other chemical or biological factors.

Failure to follow written instructions, restrictions or warnings supplied with the Product shall make the Warrantor's obligation hereunder null and void and of no further effect.

THIS WARRANTY IS THE EXCLUSIVE WARRANTY OF WOLF HOME PRODUCTS AND IS IN LIEU OF AND WOLF HOME PRODUCTS DISCLAIMS ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

To submit a claim under this warranty, contact your Builders Mark Vero cabinets dealer or send a letter explaining the defect along with photo and a dated sales receipt as proof of purchase to the address below.
