CHARACTERISTICS & VARIATIONS

Classic Impact Series' door styles use HDF rails and stiles with MDF center panels when painted. Using High/Medium Density Fiberboard provides a smooth, painted surface that does not expand or contract and reduces visible seams where pieces are joined. Fiberboard also provides a stable substrate that minimizes warping and provides better moisture resistance – an industry standard material for painted product.

COMPLEMENTS PAINT

There's a whole new way to make your kitchen your style. Thanks to Wolf Classic Complements, you can now personalize your kitchen and bath with accent colors for base cabinets, islands, vanities and more. They're the perfect complement to our most popular Wolf Classic styles and colors.

Bayside – A rich, medium blue. This slate blue hue is extremely versatile and will accentuate every style in any room.

Biscayne – The darkest of our Wolf Classic Complements blue finishes. A deep, rich blue shade closest to navy is both elegant and timeless.

Cape – The just-right neutral, a light, breezy tan finish. Vibes of tranquility and luxury, this color works as the foundational backdrop for other design elements or as the main feature.

Currant – A vibrant and fiery red tone. Sure to infuse life into any space it graces, this striking red commands attention and inspires creativity.

Evergreen – A lush and vivid gemstone green. A surefire way to add drama and luxury to any room, this color is a testament to bold expression.

Goldleaf – As its name suggests, a loud golden yellow. A daring and exuberant color choice, this burst of sunlight is for those looking to make a vivid and memorable statement in their décor.

Juniper – A deep, dusty grey-green hue. Rustic, yet refined, this finish will create a warm and charming focal point in any living space.

Laurel – A bold, seagrass green. A showcase of any unique, personal style, this finish will brighten and energize upon first glance.

Midnight – A refreshing black finish void of any undertones. With a velvety look, this strong hue will add dimension and make a statement no matter what room it's used in.

Palmetto – A nod to green with grey undertones. This subtle, light green shade provides a softer color contrast while also adding plenty of character.

Seabreeze – A cool-toned blue-green finish most like robin's egg blue. Just the right amount of color for a clean, crisp accent in any application.

Seaport – More royal than Bayside and lighter than Biscayne, this strong mid-range blue is bold, yet sophisticated while providing endless depth.

Silhouette – A shade lighter than Midnight, a deep slate grey. This dark finish embodies a sense of depth and drama, casting a subtle yet commanding presence.

Stonybrook – An inviting combination of brown and grey make a strong, earthy finish. Adaptable and sure to make any neutral space interesting and inviting.

WOLF CLASSIC | 5-YEAR LIMITED WARRANTY

Wolf Classic cabinets have been manufactured under the highest standards of quality and workmanship.

FIVE-YEAR LIMITED WARRANTY ON CABINETS, DRAWER GUIDE AND HINGES

Wolf Home Products warrants to original consumer purchasers for five years from date of original purchase that cabinets, drawers, drawer guides and hinges used in the manufacture of Wolf Classic cabinets shall be free from defects in material and workmanship under normal use.

GENERAL WARRANTY GUIDELINES

Should Wolf Classic cabinets fail during the applicable warranty period due to defects in the material or workmanship under normal use, Wolf Home Products, at its discretion, will repair or provide the parts necessary to replace the defective products.

This warranty is applicable only to products used in residential applications in the United States and is not transferable. This warranty does not cover products that are misused, abused, mishandled, improperly installed, improperly stored, changed, modified or subject to extreme temperatures or extreme moisture levels, or normal wear and tear. This warranty is not valid for products used for any purpose other than the purpose for which they were originally intended. This warranty does not cover the cost of installation, removal, subsequent damage or transportation of the defective product, regardless of whether the work was performed by a contractor, service company or the consumer.

Variations in color and grain pattern are a natural characteristic of wood. Color changes also may result from exposure to light, heat, smoke, household cleaners, and other elements and environmental conditions that are part of the aging process. These material variations and changes are not covered by this warranty. Wolf Home Products reserves the right to substitute for discontinued product the most similar product in styling, wood species and color available at the time a claim is submitted.

Paint finishes are uniquely different from standard wood finishes. On all wood products, expansion and contraction are typical due to changes in climate conditions. Due to this normal movement, paint finishes may develop slight separation lines, finish breaks and seam lines. With use of selected hardwoods and veneers, some grain patterns and wood characteristics (checks, pin knots) as well as seams and joints will remain visible through the paint finish. Over time, there may be a slight color shift, due to exposure to natural and artificial light. These normal conditions are not considered quality defects and are not covered by this warranty.

THIS WARRANTY IS THE EXCLUSIVE WARRANTY OF WOLF HOME PRODUCTS AND IS IN LIEU OF AND WOLF HOME PRODUCTS DISCLAIMS ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you. This warranty gives you specific legal rights and you may also have other rights that vary from state to state.

To submit a claim under this warranty, contact your nearest Wolf Classic cabinets dealer or send a letter explaining the defect along with photos and a dated sales receipt as proof of purchase to the address below.
