Omega National
P R O D U C T S

OUR TURN-KEY RANGE HOOD SYSTEM... *SIMPLE AND COMPLETE!*

You've come to know Omega National Products as a preferred source for all types of high quality wood kitchen cabinet accessories, including a growing selection of wood range hoods and ventilation.

Because of their popularity, we elected to put this exciting product offering into a new Wood Range Hood catalog – complete with designs from traditional to contemporary styling. But more importantly, we'd like you to be aware of just how simple, complete and straightforward this program has become.

First and foremost: We are not providing you with just a wood range hood – we are providing you with a completely turn-key wood range hood system of the highest quality.

To define what we mean by turn-key, consider what all of our wall-mount hoods come to you with:

1. Wood range hood and choice of chimney sizes (if applicable)
2. Silver metallic steel liner – with a cut-out that will house any of our Broan ventilators
3. All applicable mounting hardware – including every nut and bolt you'll need
4. All of the above packed in a re-shippable carton – once you've applied your finish

And to define what we mean by system, consider the unique patent-pending mounting system our engineers developed to help make installation a breeze. To better see just how simple this is, look to the next page for an overview. This unique hanging design allows the entire system to be installed by one person. All of the pieces and parts needed to mount our hoods come with each hood!

To complete the system, and to further add to its utter simplicity, keep in mind that whatever hood style you order – regardless of size – the included liner will house any of our Broan ventilators. And you have several CFM choices: 250 CFM, 390 CFM, 500 CFM, and even 1,100 and 1,500 CFM. (The option for more commercial-style ventilation is also available - see omeganationalproducts.com for more on this.)

And a word about our quality: Omega National Products' range hoods are offered by some of the most respected names in kitchen cabinetry – with some of the most demanding quality standards. You can count on getting the quality you expect. It's that simple. And all our wood hoods are produced right here in America at our facility in Elkhart, IN.

The bottom line is you get everything you need with the Omega National Products wood range hood system - *from start to finish!*

EASY TO INSTALL

Step 1:
Screw mounting plate to wall

Step 2:
Assemble blower unit (sold separately) to metal liner

Step 3:
Fasten metal mounting brackets to liner

Step 4:
Hang the liner/bracket assembly on the mounting plate (make all electrical and ventilation connections at this point)

Step 5:
Slip the wood range hood on top of the mounting plate

Step 6:
Fasten wood range hood to liner with (4) screws

Step 7:
If using a chimney (sold separately) mount blocks to wall

Step 8:
Snap chimney in place

All **BROAN** products are HVI, UL and CUL certified.

**960 CFM
VENTILATION POWER MODULE**

- Clean European design with professional-style appearance and performance (960 CFM)
- Produced using 430 grade stainless steel
- Stainless baffle filters are easily removed for cleaning (dishwasher safe)
- Dual aluminum die cast motors
- Very quiet operation - 66 dBA / 5.1 Sones on highest speed
- 4 speed push button control offers greater CFM flexibility: 960 CFM, 660 CFM, 480 CFM and 300 CFM
- 10 minute delay off timer
- Includes LED lighting
- As with all pro-style ventilation, exterior ducting is recommended
- Weight: 39 lbs
- 3 year limited warranty

For those of you desiring a higher CFM ventilator with professional styling, we offer some of our wood hood styles (36" wide minimum) with liners that will fit this Sirius system. This ventilation unit offers 960 CFM at the cook-top, along with stainless steel baffle filters.

Our Signature, Signature Craftsman, Artisan, Baxter and Nantucket style hoods are currently offered standard with liners to fit this system. Please go to omeganationalproducts.com to see a listing of part numbers for these items. While there, you can also see the many other wood accessories made in our Elkhart, IN factory. And yes, most everything we offer is made by Omega National Products right here in America.
