menswear™
COLLECTION

Knot Quite Menswear™ draws inspiration from the timeless textiles created by icons of the fashion industry.

This collection embodies the confidence of a well-tailored suit or dress but with the playful twist of a creative bow tie or scarf.

Influences range from Coco Chanel who combined comfort and practicality with beauty and elegance, to

Ralph Lauren who combined subtle fabrics with **bold graphic**

statements. The collection features a timeless palette that transcends short-lived trends. Classic natural tones are accented by deep coral, khaki green, deep wine, and are grounded by warm grays. The combination of design and color makes this versatile collection appropriate for any market segment.

Knot Quite Menswear™ is a grouping of 24 new designs – including 3 woodgrains, 12 abstracts, 3 solids, and 6 Inspira™

Digital patterns that can be used in a variety of market segments.
