LEGACY CRAFTED

CABINETS

hand crafted cabinetry

MADE IN PENNSYLVANIA

BY LEGACY CRAFTED CABINETS

DOOR STYLES/FINISHES

Free Spirit

Rhapsody

Chameleon

Fashionista

Advantages:

- Melamine decorative panels (TFL) are manufactured using 100% recycled and recovered wood materials. Faces pressed and thermofused to particle board substrate.
- Easy to clean and bacteria-resistant.
- 2-Sided material with all exposed surfaces color and texture matched to ensure consistency throughout.

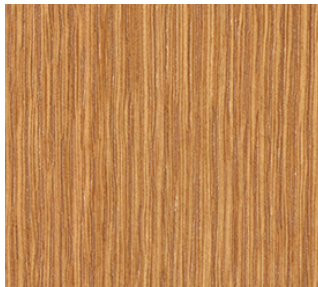

European Technology : American Craftsmanship
Full-Access / Frameless Cabinetry

VIVA Plus

Full-Access / Frameless Cabinetry

1 Box/Case

- Industrial grade Domestic/North American 3/4" thick particleboard that conforms to EPA TSCA Title VI and ANSI A208.1-2016.
- Made with 100% recycled and recovered wood fibers.
- Formaldehyde emissions less than .09 parts per million.
- Faced with thermally fused melamine.
- Front edge of case is edge-banded with 1 mil PVC to match door/drawer front color.
- All cutting/machining done with state of the art European technology.
- All exposed surfaces color and texture matched to ensure consistency throughout.

2 Tops and Bottoms

- Industrial grade 3/4" thick particleboard with face edge-banded to match door/drawer front.
- Melamine laminated surface.
- Exterior faced with melamine to match door/drawer front. Bore, dowel and glue fastening into side panels.

3 Back Panel

- 3/4" thick laminated back panels

4 Shelving

- Industrial grade 3/4" thick particleboard. PVC edge-banding on front edge to match cabinet interior color. Shelves are adjustable and sit on 100% metal shelf pins.
- Half-depth, adjustable shelves standard on base cabinets.

5 Side Panels

- Industrial grade 3/4" thick particleboard with face edge-banded to match door/drawer front. Exterior is surfaced with melamine to match door/drawer front. Bore, dowel and glue construction.

6 Stretchers/Mid-Rails

- Industrial grade 3/4" thick particleboard with face edge-banded to match door/drawer front. Bore, dowel and glue construction. Stretcher/mid-rail installed beneath every drawer.

7

Toe Kick

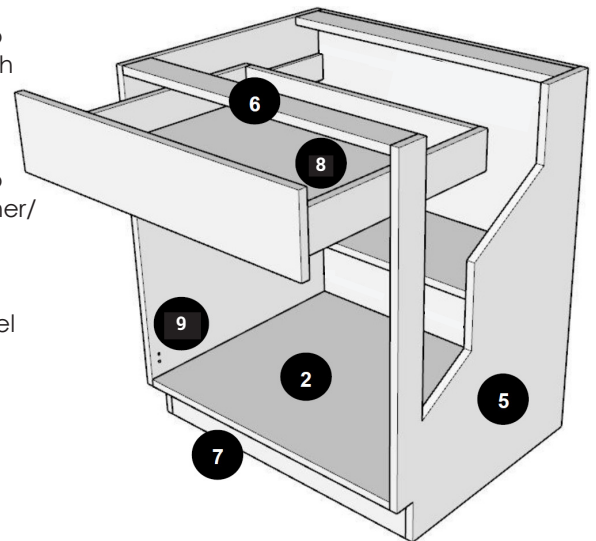

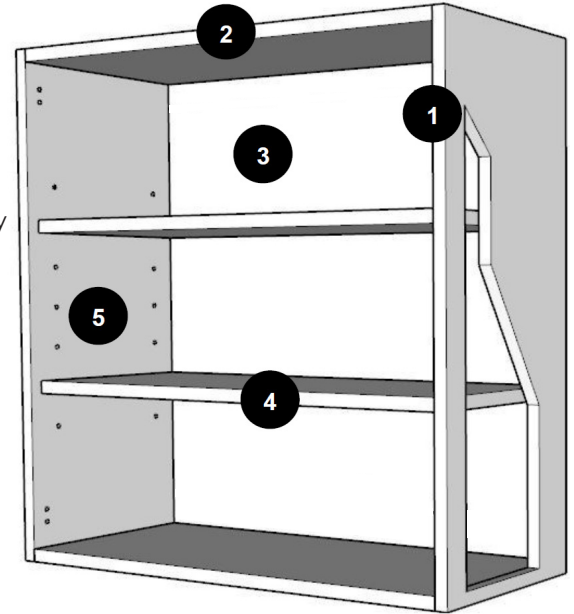

- 4 1/2" high x 3/4" thick melamine coated particleboard. Bore, dowel and glue fastening into side panels

8 Drawer Box

- 5/8" thick poplar, solid wood, dovetail drawer box.
- 1/4" thick fully captured bottom.
- Drawers in cabinets 24" and wider get 1/2" thick center support on bottom of drawer
- Soft-close, 7/8 extension standard undermount, 75 lb. drawer guides.
- Drawer fronts mounted with adjustable mounting clips.

9 Hinges

- Soft-close 110-degree opening, fully concealed hinges. Hinges are 6-way adjustable clip on style.
- Hinges and mounting plates are constructed of steel.

Floating Shelf-Matching Laminate Color of Cabinet Boxes					
FS2	2"h Floating Shelf/ Linear Foot	0.2	102	144	138
Sold by the Linear Foot - Rounded up to next whole foot. Available in widths from 12" to 96" in whole inch increments only. Available in depths of 8", 9", 10", 11", or 12" only					

Each Floating Shelf includes an outer shelf and an inner support frame, they are not sold separately.

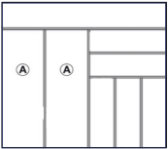

Support frame is constructed of 3/4" x 1-1/2" unfinished hardwood and must be securely screwed to two or more wall studs using four or more coarse thread screws at least 2-1/2" in length.

Outer shelf is constructed of 3/4" and 1/4" MDF, Laminated to match your cabinets.

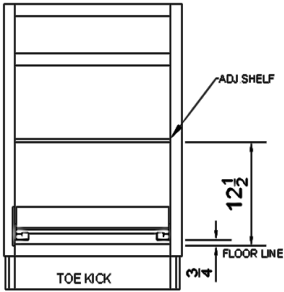

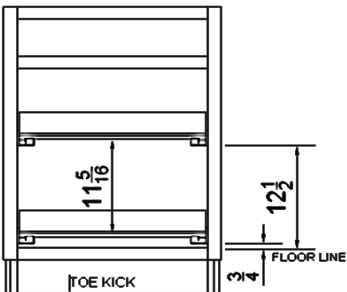

The load capacity of these shelves is largely dependent on proper installation. They are designed for light-weight decorative items, not for books or other heavy objects. Legacy will not be responsible for shelf failure due to improper installation or overloading.
